Dear Ms. Bayo:

On July 1, 2004 the FL CLEC Data Request Exemption Letter was filed on behalf of Cbeyond Communications, LLC. The cover letter attached to the exemption letter contained a request for confidential treatment. This statement is a generic request that is automatically included for all reports that are filed. In instances where this type of request is not sufficient or simply not required (as in the case of an exemption request), TMI generally removes the statement prior to filing. It has come to our attention that the removal of this statement was neglected.

(FOR DN 07290-04)

Please accept this letter as notification that it was not our intention to seek confidential status for the filing of the FL CLEC Data request Exemption letter and that the request can be disregarded.

I apologize for any inconvenience this may have caused.

Questions regarding this filing should be directed to my attention at 407-740-8575. Thank you for your assistance in this matter.

Sincerely,
Karen E. Gillespie
