RE: Supplemental response of SBC Telecom to to 2004 Competitive Exchange Carrier (CLEC) Data Request (040000-PU)

Dear Ms. Bayó:

Attached is the supplemental response of SBC Telecom, Inc. (SBCT) to the 2004 Competitive Local Exchange Carrier (CLEC) Data Request in the above-referenced matter.

Two copies of the public (redacted) version of SBCT's response are enclosed, as well as one copy of the confidential version (unredacted). Also enclosed are electronic copies of both the public and confidential versions.

In its original response to the data request (date stamped July 14, 2004, document no. 07618-04), SBCT identified exchanges by CLLI code rather than by rate center name. In addition, SBCT failed to convert its PRI counts to voice grade equivalents in Table 1. SBCT regrets the errors.

SBCT submitted an affidavit attesting to the confidential nature of the information provided in its original responses; that affidavit also applies to this supplemental information.
