Yes, we'll add the dash based on the information in your e-mail.

Kay

Hi Kay,

In the above application for pay phones, the applicant has a dash between her names on page 2. Can you edit the Casr title with this memo to include the dash? It is also listed in the owner section of the Sec of State with the dash.

Maria C. Martinez-Canino d/b/a National Communications Network.

Thanks,

Toni
