RE: Docket # 040388-WU Extension

Sunshine Utilities respectfully request a thirty day extension of our July 21, 2004 deadline. We have discussed this with the engineer and developer associated with this project and they feel they can have all the information to us in plenty of time if we are granted this extension.

DISTRIBUTION CENTER  
04 JUL 23 AM 8:26

We anticipate having all deficiencies corrected by August 21, 2004.

Respectfully yours
