

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

AUGUST 17, 2004

RE: Docket No. 030623-EI - Complaints by Southeastern Utility Services, Inc., on behalf of various customers, against Florida Power & Light Company concerning thermal demand meter error.

Issue 1: Should the Commission grant SUSI's motion for reconsideration of that portion of Order No. PSC-04-0591-PCO-EI dismissing SUSI as a party to this proceeding?

Recommendation: No. SUSI's motion for reconsideration fails to identify any point of fact or law that the Prehearing Officer overlooked or failed to consider in rendering the order dismissing SUSI as a party.

APPROVED

COMMISSIONERS ASSIGNED: Jaber, Bradley, Davidson

Docket No. 030623-EI - Complaints by Southeastern Utility Services, Inc., on behalf of various customers, against Florida Power & Light Company concerning thermal demand meter error.

(Continued from previous page)

Issue 2: Should the Commission grant FPL's motion for clarification of Order No. PSC-04-0591-PCO-EI?

Recommendation: Yes. The Commission should clarify Order No. PSC-04-0591-PCO-EI to properly reflect the background of this case with respect to the degree of dispute concerning the accuracy of the meters at issue.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: No. This docket should remain open.
