Subject: Docket #020896-WS

Dear Sir:

The attached petition from the homeowners of Riviera Estates wish to be deleted from Aloha Utilities territory and have water to be furnished by Pasco County. Riviera is a small gated sub-division made up of 37 homesites and have put up with black, smelly water from Aloha since Riviera's inception in the late 80's and early 90's. We are full time residents and have no seasonal customers of Aloha.

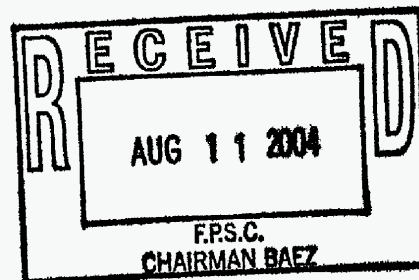

The average price range per household is around \$500,000.00 and several people have missed home sales by being served by Aloha water. It is truly a shame for such a nice neighborhood to have such undrinkable water served to them by a monopoly that is unable to supply safe and clean water.

We would like to be deleted by Aloha in the same matter as the Seven Springs area that have also petitioned your office. I have been on the docket #020896-WS listed as James S. Mitchell, Jr., President of The Riviera Homeowners Association. Thanks for all that you do.

Sincerely,

James (Sandy) Mitchell, Jr.
President, Riviera Homeowners Association
