IN RE: REVIEW OF TEN-YEAR SITE PLANS OF ELECTRIC UTILITIES

ISSUED: August 18, 2004

NOTICE is hereby given that due to the severe impact of Hurricane Charley on the facilities and operations of many of the electric utilities serving the state of Florida, and in deference to those utilities' commitment of resources and personnel to restore electric service to the areas affected by the hurricane, the Florida Public Service Commission has cancelled the Commission workshop previously scheduled for Thursday, August 19, 2004, to address the above-referenced matter. This Commission workshop may be rescheduled and, if so, appropriate notice will be provided to all participants, interested persons, and the public.
