BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Investigation into the Establishment)
of Operations Support System Permanent)
Performance Measures for Incumbent)
Local Exchange Telecommunications)
Companies (BellSouth Track))

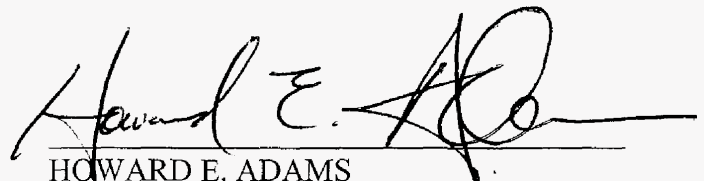

Docket No.: 000121A-TP

Filed August 27, 2004

TIME WARNER TELECOM OF FLORIDA COMMENTS CONCERNING PROPOSED CHANGES TO BELLSOUTH PERFORMANCE ASSESSMENT PLAN

Time Warner Telecom of Florida believes that now that the Federal Communication Commission's UNE Order has been vacated, the future of UNEs in the communications arena is unknown. The incumbent local exchange carriers are attempting at this time to migrate UNEs to a special access (SPA) status. Time Warner believes the Florida Public Service Commission should focus its attention on SPA performance measures (PM) with necessary penalties. The Florida Public Service Commission should refocus this docket on performance measures for SPA and the performance measures and penalties should be made more stringent given this new environment regarding UNEs.

Respectfully submitted this 27th day of August 2004.
