Re: Docket Nos. 010492-WS and 030682-WS
August Status Report Regarding Zellwood Station Cooperative Transfer to
Orange County

Dear Ms. Merchant:

Pursuant to our prior commitment, I am providing to you and all other parties to this proceeding our status report of activities concerning the transfer of the water and sewer plants from Zellwood Station Cooperative to Orange County for the month of August. The following events took place during the month of August:

- (1) Zellwood and the County have finalized the terms of the additional easement that was required by the County for the purchase of the Zellwood system.
- (2) The County and Zellwood were delayed by the Hurricane response activities of the County in finalizing the terms of securitized indemnification from Zellwood that is required by the County as a condition of closing. Meetings are now re-scheduled during September to finalize those terms.

If you, or anyone else, has any questions, comments or concerns whatsoever regarding this or any other issue related to this transaction, please don't hesitate to contact us. Copies of any documents referred to in this letter are available upon request.

Very truly yours,

Thomas A. Cloud, Esquire
