RE: Changes to Staff Recommendation in Docket No. 031033-EI on the September 7, 2004 Agenda Conference *Item # 12*

Staff is requesting approval to make some minor corrections to the above mentioned recommendation. These attached changes do not affect the issue or recommendation statements and therefore, an oral modification at agenda conference should not be necessary. A previous memo had inadvertently misidentified the docket as Docket No. 040001-EI

! DOJ for TOJ

These items should not be deferred because of the significant financial impact on customers.
