RE: Response of Level 3 Communications, LLC to 2004 Local Competition Report Data Request

Dear Mr. Cordiano:

Enclosed please find the following materials:

- A highlighted copy of the confidential Level 3 Communications Year 2004 Local Competition Report
- A diskette containing soft copies of CLEC Tables 1-3

You had requested information regarding the increase in access line counts between the FCC Form 477, with data as of December 31, 2003, and the counts in FSPC-Table 1, data as of may 31, 2004. The difference in these counts is attributable to Level 3's rollout of new VoIP products.
