**RE:** Docket No. 040973-TX, Petition for Expedited Review of Code Denial by the Number Pooling Administrator for the Miami Exchange (Hialeah), by Supra Telecom (Supra)

*Handwritten initials/signature*

On August 27, 2004, Supra filed a petition requesting that the Commission overturn NeuStar's decision to deny numbering resources for the Hialeah switch (MIAMIFLHLDS2) located in the Miami rate center. In accordance with Commission Order PSC-02-0352-PAA-TL, which approved an expedited process for code denials, we have examined the Supra petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has customers in need of immediate numbering resources;
- 2) The carrier has shown that it will be unable to provide services to potential customers because of the Pooling Administrator's denial of the numbering resources; and
- 3) Potential customers cannot obtain service from the provider of his/her choice because the carrier does not have the numbers available.
