Also, the Utility will be delivering, by regular mail or personal delivery, the notice of the transfer within seven days of the filing to each customer on the system, as well as publishing the notice in the local newspaper within seven days of the filing. Affidavits, along with required copies, will be submitted to the Commission within 15 days of filing the application.

As we have previously discussed with the Florida Public Service Commission, there was a possibility that there might be a sale of the utility during the time the Commission was processing the Transfer Application of Rivers Edge Utilities, LLC. This Application is being submitted in order to have the Certificate transferred to MSM Utilities, LLC rather than Rivers Edge Utilities, LLC due to the fact that MSM Utilities, LLC has a contract to purchase the utility assets once owned by Hunter Creek Utilities, LLC.

Should you have any questions or require any further information, please don't hesitate to contact me.

Sincerely,

George C. MacFarlane
President
