Please open a docket via this e-mail. The title should be:

Bankruptcy cancellation by Florida Public Service Commission of IXC Registration No. TJ702 and CLEC Certificate No. 8198 issued to Litestream Technologies, LLC, effective 09/22/04.

Thanks.

I could use this e-mail to open the docket with today's date. If that isn't suitable, I would need the form.

Kay, I attempted to call Mr. Sivard but both numbers (phone and fax) have been disconnected. I talked with Ray and he said go ahead and open a bankruptcy cancellation docket. My question is, will you go ahead and open the docket or do you want me to send over a request to establish docket form?

DOCUMENT NUMBER-DATE
10478 SEP 28 04
FPSC-COMMISSION CLERK

Sorry for the delay in responding. They need to specifically request cancellation due to the bankruptcy, so no, do not open a docket. I need to contact them.

Not yet.

I'll run the question by Paula again.

Thanks for following up.

Did we ever get a response to this one?

Paula, we just got a letter today from Litestream, description:

Litestream Technologies, LLC (Sivard) - Letter dated 9/20/04 advising assets sold at auction due to bankruptcy and ceased being phone provider in State of Florida; Pasco County assets sold to Bright House Networks; St. Johns County assets sold to Litestream Holdings, LLC; correspondence should be sent to Bright House/Smith and Litestream Holdings/Rhodes.

We're treating it as undocketed, but should a docket(s) be opened on the bankruptcy?

Kay
