RE: Docket No. 040757-TP - Request for approval of two amendments to interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and Access Integrated Networks, Inc.

By letter received July 16, 2004, BellSouth Telecommunications, Inc. filed a request for approval of two amendments to the interconnection, unbundling, resale, and collocation agreement with Access Integrated Networks, Inc. Amendment No. 2 is a duplicate of that filed in Docket No. 040148-TP and therefore is moot. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved. The statutory deadline for the Commission to take action on this matter was October 15, 2004.

Staff reviewed the agreement in this Docket on October 20, 2004. The agreement met the criteria outlined in Section 2.07.C.5.d of the Administrative Procedures Manual. Therefore, it has gone into effect by operation of law in accordance with Section 252(e)(4) of the Telecommunications Act of 1996. Accordingly, with this Memorandum, the docket is hereby closed.)

OK to close 10/21/04 HW
