RE: Petition and Testimony  
FPSC Docket No. 030003-GU

Dear Ms. Bayo:

I respectfully request that my petition and testimony submitted on October 2, 2003 for Docket Number 03003-GU be rescinded.

This testimony and petition, which requested a cap for the year 2004 PGA Adjustment, is not longer valid, due to the fact Sebring Gas System has exited the merchant service and is not performing transportation service for our customers.

If you have any questions concerning this information, please feel free to contact me.
