TARIFF FORMAT SHEETS

- A. **Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. **Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FL PSC. For example, the 4th revised Sheet 14 cancels the 3rd revised sheet 14. Because of various suspension periods, deferrals, Etc., the FL PSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.
- C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a) I.
 - 2.1.1.A.1 (a) I. (i).
 - 2.1.1.A.1 (a) I. (i). (1).
- D. **Check Sheets** - When a tariff filing is made with the FL PSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the FL PSC.

Interexchange Tariff**SECTION 2 - RULES AND REGULATIONS****2.1 Undertaking of the Company.**

The Company provides long distance interexchange telecommunications service to customers for their direct transmission of voice, data, and other types of telecommunications. The Company's telecommunication service and facilities are furnished for communications originating at specified points within the state of Florida under the terms of this tariff.

Communications originate when the customer accesses the Company directly or through the facilities of the local service carrier utilizing one or more access lines, equal access, or on a dial-up basis. The Company installs, operates and maintains the communications services provided herein in accordance with the terms and conditions set forth under this tariff. It may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Company's network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services and facilities are provided on a monthly basis unless ordered on a longer term basis, and are available (24) twenty-four hours per day, (7) seven days per week.

2.2 Limitations on Service

- 2.2.1 Service is offered subject to the availability of the necessary facilities and/or equipment and subject to the provisions of this tariff.
- 2.2.2 The Company's reserves the right to discontinue furnishing service, or limit the use of service, upon written notice, when necessitated by conditions beyond its control, or when the customer is using service in violation of the law or the provisions of this tariff.
- 2.2.3 Title to any equipment provided by the Company under these regulations remains with the Company. Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to any assignee or transferee.
- 2.2.4 All facilities provided under this tariff are directly controlled by the Company and the customer may not transfer or assign the use of service or facilities, except with the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.5 Customers reselling or rebilling services must have a Certificate of Public Convenience and Necessity or be Registered as an Interexchange Telecommunications Services in compliance with the Rules of the FL PSC 25-24.4701.

Interexchange Tariff**SECTION 2 - RULES AND REGULATIONS (continued)****2.4 Interruption of Service****2.4.1 Credit Allowance**

Credit Allowance for failure of service or equipment will be given when failure is caused or occurs in equipment or facilities owned, provided and billed for, by the Company.

- A. Credit allowance for failure of service or equipment starts when the customer notifies the Company of the failure or when the Company becomes aware of the failure and ceases when the operation has been restored and an attempt has been made to notify the customer.
- B. The customer shall notify the Company of failures of service or equipment and make reasonable attempts to ascertain that the failure is not caused by customer provided facilities, any act, or omission of the customer or in wiring or equipment connected to the terminal.
- C. Only those portions of the service or equipment operation disabled will be credited. No credit allowance will be made for:
 - 1. Interruptions of service resulting from the Company performing routine maintenance.
 - 2. Interruptions of service for implementation of a customer order for a change in service.
 - 3. Interruption caused by the negligence of the customer or his authorized user.
 - 4. Interruption of service because of the failure of service or equipment due to customer or authorized user provided facilities.

2.4.2 Credit Allowance for Interruption of Service

Pursuant to liability limitations set forth herein, when service is interrupted the credit allowance will be computed on the following basis:

- A. No credit shall be allowed for an interruption of less than two hours.
- B. The customer shall be credited for each two-hour period or major fraction thereof that an interruption continues beyond two hours.
- C. When a minimum usage charge is applicable and the customer fails to meet a usage minimum credit, the outage shall be applied against that minimum equal to 1/360th of the monthly minimum charges associated with the portion of service disabled for each period of two hours or major fraction thereof that the interruption continues.

The use and restoration of service in emergencies shall be in accordance with the Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specifies the priority for such activities.

2.6 Disconnection of Service by the Company

The Company, upon and following (10) ten working days after the mailing of a certified letter to the customer delivered by U.S. Mail, may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

- 2.6.1 Non-payment of any sum due to carrier for regulated service for more than thirty days beyond the date of rendition of the bill for such service.
- 2.6.2 A violation of any regulation governing the service under this tariff.
- 2.6.3 A violation of any law, rule, or regulation of any government authority having jurisdiction over such service.
- 2.6.4 The Company is prohibited from furnishing services by order of a court or other government authority having jurisdiction.
- 2.6.5 The company has given the customer notice and has allowed a reasonable time to comply with any rule, or remedy, and deficiency as stated in Section 25-4.113, F.A.C., and FL PSC Rules Chapter 25-24.490 (1) Refusal or Discontinuance of Service by Company.
- 2.6.6 Service may be disconnected without notice for tampering with company equipment, for interfering with the service to other customers, for fraud, or in the event of a hazardous condition.
- 2.6.7 Cancellation Credit

When the Company cancels a service or the provision of equipment and the final service period is less than the monthly billing period, a credit will be issued for any amounts billed in advance, prorated at 1/30th the monthly recurring charge for each day the service was rendered or the equipment was provided. This credit will be issued to the customer or applied against the balance remaining on the customer's account.

SECTION 2 - RULES AND REGULATIONS (continued)

2.7 Customer Responsibility

2.7.1 All customers assume general responsibilities in connection with the provisions and use of the Company's service. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:

- A. The customer is responsible for placing an order for service, paying all charges for service rendered by the Company and complying with all of the Company's regulations governing the service. The Company is also responsible for assuring that its users comply with regulations:
- B. When placing an order service, the customer must provide:
 - 1. The name(s) and address(es) of the person(s) responsible for the payment of service charges.
 - 2. The name(s), telephone number(s), and address(es) of the customer contact person(s).
- C. The customer must pay the Company for the replacement or repair of the Company's equipment when the damage results from:
 - 1. **The negligence or willful** act of the customer or user.
 - 2. **Improper use of service.**
 - 3. **Any use of equipment or service** provided by others.
- D. After receipt of payment for the damages, the Company will cooperate with the customer in prosecuting a claim against any third party causing damage.

2.7.2 Maintenance, Testing, and Adjustment

Upon reasonable notice, the equipment provided by the Company shall be made available to the Company for such test and adjustments as may be necessary to maintain them in satisfactory condition. No interruption allowance will be granted for the time during which test and adjustments are made.

2.7.3 Deposits

Company does not require deposits.

If a customer orders service requiring special equipment and/or facilities dedicated to the customer's use and then cancels his order before the service begins, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company.

2.7.5 Payment of Charges for Services

- A. Service is provided and billed on a monthly basis.
- B. Payment is due upon receipt. Payment will be considered timely if paid within (20) twenty days after the bill is rendered. The bill shall be considered rendered when deposited in the U.S. mail with postage prepaid.
- C. In the event of a dispute concerning a bill, customer must pay a sum equal to the amount of the undisputed portion of the bill and proceed with the complaint and/or claim procedures set forth in this tariff.
- D. The customer is responsible for payment of all charges for service furnished to the customer under this tariff. Charges are based on actual usage during a month and will be billed one month in arrears.
- E. Customer is responsible for payment of any state and local taxes (i.e. gross receipts tax, sales tax, municipal utilities tax) which will be listed as separate line items and which are not included in the quoted rate.
- F. Customer will be charged a late payment penalty in the amount of one and one-half (1.5%) per month of the past-due amount and any charges associated with disconnection and reconnection of service.

Interexchange Tariff**SECTION 3 - DESCRIPTION OF SERVICE****3.1 Timing of Calls**

The customer's monthly usage charges for the Company's service are based upon the total number of minutes the customer uses and service options subscribed to. Chargeable time begins when the connection is established between the calling station and the called station or PBX when the Company answer supervision equipment receives an "off-hook" signal and the line is seized. Chargeable time ends when either party "hangs up" and/or when the Company's answer supervision equipment receives an "on-hook" signal for the line.

There are no charges incurred if a call is not completed.

3.2 Start of Billing Charges

For billing purposes, the start of service is the day following acceptance by the customer of the Company's service or equipment. The end of service date is the last day of the minimum cancellation notification period after receipt by the Company of notification of cancellation.

3.3 Interconnection

Service furnished the Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by the Company. Services furnished by the Company are not part of a joint undertaking with such other carriers. Any special interface equipment of the Company and other Carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of other carriers' tariffs. The customer is responsible for taking all necessary legal steps for interconnecting his CPE terminal equipment or CPE communications systems with the Company. The customer shall secure all licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

SECTION 3 - DESCRIPTION OF SERVICE (continued)

3.4 **Terminal Equipment**

The Company's service may be used with or terminated in CPE terminal equipment or CPE communications systems, such as teleprinters, handsets, or data sets. Such terminal equipment will be furnished and maintained at the expense of the customer. The customer is responsible for all costs at his premises, including customer personnel, wiring, electrical power, and the like incurred in the customers use of the Company's service.

If the customer fails to maintain and operate his CPE terminal equipment properly, resulting in the occurrence of possibility of harm to the Company's equipment or the Company's personnel, or impairment to the quality of service to other customers of the Company, the Company may, upon written notice, require the use of protective equipment at the customers expense. If this action fails to produce satisfactory quality and safety of service, the Company may, upon written notice, terminate the customer's service.

3.5 **Calculation of Distance**

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

Airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated V&H coordinates supplied by Telcordia™ Routing Administration (TRA) that are generally used within the industry.

Formula:
$$\sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

3.6 **Minimum Call Completion Rate**

The customer can expect a call completion rate of 99% of calls attempted during peak use periods for all Feature Group D (1+) services.

The Company may at some time produce and arrange for distribution and sale of wholesale Prepaid Calling Cards. These Prepaid Calling Cards will be brand marked by H C Phone Service and exclusively utilize the Company's long distance network for both domestic and international calling.

- A. End-Users may purchase the Company's Prepaid Calling Cards at a variety of retail outlets or through other distribution channels.
- B. Prepaid Calling Card Services will be available with card face values of five dollars (\$5.00), ten dollars (\$10.00), twenty dollars (\$20.00), or other values in one-dollar (\$1.00) U.S. increments.
- C. The Prepaid Calling Card usage procedure consist of:
 - 1. The end-user will dial either a local number or a toll free number, as applicable to the end-users locality, whichever is printed on the card.
 - 2. Upon connection to the Company's switch, the end-user is prompted by an automated voice response system to enter the Authorization Code specific for the end user's card.
 - 3. Following verification by the Company's switch, the end user is prompted to enter the called-to-number and/or terminating number.
 - 4. Company answer supervision equipment verifies called-to-number has gone "off-hook" when the called-to-number is answered, and the Company's calling card billing platform begins metering the completed call for duration.
 - 5. Upon call completion, when the Company's answer supervision indicates to the billing platform the called-to-number has gone "on-hook" and/or "hangs up", the total consumed Telecom Units for the call is deducted from the remaining Telecom Unit balance on the end-user's Prepaid Calling Card.

- D. All calls must be charged against a Prepaid Calling Card that has a sufficient telecom Unit balance.
1. An end-user's call will be interrupted by a mechanical automated voice announcement when the balance is about to be depleted.
 2. In order to continue the call, the end-user can either call the toll free number on the back of the Prepaid Calling Card for service and "recharge" the balance on the card using a nationally recognized credit card, or the end-user can throw the card away and purchase a new one.
 3. The Company will terminate calls in progress if the balance of the Prepaid Calling Card's is insufficient to continue the call and the end-user fails to enter the number of another valid, Company issued, Prepaid Calling Card.
- E. A Company issued Prepaid Calling Card will expire on the date indicated on the card, or if no date is specified, (12) twelve months from the date of first usage, or the date of last recharge, whichever is later. The Company will not refund unused balances.
- F. Prepaid Calling Card Credit Allowance:
1. A credit allowance is applicable for, but not limited to, calls that are interrupted due to poor transmission, one-way transmission, or involuntary disconnection of a call.
 2. To receive a credit allowance the end user must notify the Company by using the designated toll-free number printed on the Prepaid Calling Card and report the trouble experienced (e.g., cut-off, noisy circuit, no response, etc.) and the approximate time that the call was placed.
 3. When a call charged to a Prepaid Calling Card is interrupted due to cut-off, one-way transmission, or poor transmission conditions; the end user will receive a credit equivalent to the call duration.
- G. Credit for failure of service shall also be allowed for failure of power, equipment, or systems, which are provided for and are the responsibility of the Company if such failures occur while a completed call is in progress.
- H. Credit allowances will not be given for interruptions that are due to the failure of power, equipment or systems not provided by the Company.
