Hey Dorothy. I was out yesterday. No don't open a docket yet. I have to contact them if they did not state when the 2004 RAF would be paid (they either have to pay it or provide a date certain it will be paid). I need the document number. Thanks.

I have a letter from Telco Billing, Inc. notifying us that they have no subscriber base or binding contractual agreements and cancellation of its certificate does not adversely impact any parties. This didn't come with any kind of payment. **No currently open** dockets. Please advise re opening a docket to cancel the cert. Thank you!

Subject: RE: Request to Cancel Certificate of Authority for Telco Billing, Inc.

Dear Ms. Weddington:

I was out Friday and Monday, which is why I did not respond to you earlier. **Yes, you are correct**, the 2004 Regulatory Assessment Fee needs to be paid prior to staff recommending a voluntary cancellation. I will e-mail you the 2004 RAF return. As soon as the RAF return and payment are received, I will establish a docket to grant the voluntary cancellation. Thanks.

Subject: Request to Cancel Certificate of Authority for Telco Billing, Inc.

Ms. Isler:

Earlier today, I filed a request to cancel the certificate of authority for one of VarTec Telecom, Inc's subsidiaries, Telco Billing, Inc. (TBI). TBI was granted authority to act as an operator service provider and billing agent in the State of Florida pursuant to Certificate No. 3537. The Company has no subscriber base or binding contractual agreements; therefore the cancellation of its certificate does not adversely impact any parties.

I understand through a similar request made on behalf of Long Distance Wholesale Club, that a 2004 RAF Return and assessment will need to be filed for TBI. I am hoping you can forward a copy of the RAF form to my attention, so that I can begin working on this phase of the process.

The Company is seeking expedited treatment of this cancellation request, so any insight or assistance you could provide in this regard would be greatly appreciated.

Thanks,
