Concise explanation, justification or comments (attach additional sheet if necessary):

Staff is requesting to late-file a recommendation in Docket Nos. 041207-SU and 981079-SU to approve a settlement agreement and application for deletion of the Sea Pines area from Hudson Utilities, Inc.'s territory because the objection period to the deletion application does not expire until 11/29/04. Provided no objection the application is received by that deadline, staff requests to late-file the recommendation on November 30, 2004. The place holder recommendation will be filed on time and will be withdrawn if a timely objection is received. A decision in this case is necessary as soon as possible because the Sea Pines area is in immediate need of service.
