Re: Docket Nos. 010492-WS and 030682-WS
November Status Report Regarding Zellwood Station Cooperative Transfer to
Orange County

Dear Ms. Merchant:

Pursuant to our prior commitment, I am providing to you and all other parties to this proceeding our status report of activities concerning the transfer of the water and sewer plants from Zellwood Station Cooperative to Orange County for the month of November. During the month of November, Zellwood, Orange County and the City of Apopka continued meetings to complete the necessary modifications to the current Orange County/Zellwood asset purchase agreement to reflect the current deal. As explained in our last update, the deal as now structured will have Apopka utilize capacity in its treatment and supply facilities to provide the wholesale water and wastewater services to Zellwood after the closing between Zellwood and Orange County.

If you, or anyone else, has any questions, comments or concerns whatsoever regarding this or any other issue related to this transaction, please don't hesitate to contact us. Copies of any documents referred to in this letter are available upon request.

Very truly yours,

Thomas A. Cloud, Esquire
