Re: Phonetec PCS, LLC  
Company Code: TJ854

To Whom It May Concern:

On behalf of the company, I hereby respectfully request to cancel Phonetec PCS, LLC's (Phonetec) certification in the above-referenced certificates.

This request is based upon Phonetec's determination that it no longer intends to provide telecommunications services in the State of Florida. Based upon the fact that Phonetec currently has no customers, Phonetec asserts that the voluntary discontinuance of its certification will have no adverse impact upon consumers.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope.

Hey Dorothy. Not unless they sent in the \$50 minimum RAF for 2004. If they did not send money, then do not open a docket, I will need to contact them. If they did send money, you can open a docket. Thanks.

Hi Paula,

We have received a request to cancel Phonetec PCS, LLC's IXC Registration. Letter advises it currently has no customers and voluntary discontinuance of certification will have no adverse impact on customers.

Based on that info, please advise as to whether we should open a new document or not. Thank you!

Dorothy
