*On or before July 30 for the six-month period January 1 through June 30, AND
On or before January 30 for the six-month period July 1 through December 31.*

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1),F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount on L²

On Line 3, deduct any amount paid to another telecommunications company for the use of any telecommunications network (including installation charges) to provide service to its customers. ***Do not deduct any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals.*** **DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.**

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 6). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 7). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments.
