Robyn,

The above agreement includes the interconnection, unbundling, resale and collocation elements, but your transmittal letter only states interconnection. (The underlying agreement is 020614-TP.) In addition to the missing agreement elements, the CLEC name appears incorrectly without its d/b/a. Please file a revised transmittal letter making the corrections to show that each of the elements are included, and the corrected name. The statutory deadline for this agreement is June 14, 2004, so I need to get a corrected letter as soon as possible. Please reply to this e-mail to let me know when I can expect to receive your corrected letter.

In addition to the corrections needed in this agreement, BellSouth should file an amendment to the underlying agreement correcting the CLEC name throughout the underlying agreement.

Kay, F Y I, and I'll be styling my memo as:

"Docket No. 040228-TP - Request for approval of amendment to interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and Coral Telecom, Inc. d/b/a TruComm Southeast."
