We're showing it as PAA on the agenda page. Please check with Sally about possibly making an oral modification at the agenda. (This is Item 13, by the way.)

Yes, on the front page, that's where it should be indicated.

I can add it to the agenda page but I can't add it to your recommendation. You will most likely need to make an oral modification at agenda.

There is PAA language in Issue 2 of this rec, but the rec's first page doesn't indicate it's PAA. Should it have?
