Dear Sir or Madam:

Ref: Primus Telecommunications, Inc.

Enclosed are the two (2) redacted copies of the work papers for the just completed audit for the year 2003. Primus Telecommunications, Inc. is a wholly-owned subsidiary of Primus Telecommunications Group, Inc., a publicly traded company with stock listed on the Nasdaq exchange.

Primus Telecommunications Group, Inc. files its financial statements with the Securities and Exchange Commission with segment information, in its SEC Form 10-K. We feel release any separate financial information other than those previously filed with the SEC could present potentially misleading information to our investors and potential investors. Also, included in the work papers submitted to the Commission includes cost of performance data and costs of business which could be used in an anti-competitive nature, potentially damaging to Primus's business activities.

The information included in the financial data supplied to the Commission is intended to be private is not disclosed. Each page supplied to the Commission was marked "Confidential" before they were filed with the Commission.

Based on the definitions contained in the applicable Florida Statutes, we believe we are meeting the requirements to have these documents remain confidential and not discussed to the public.
