Then, yes, it is OK to open a docket with an effective date of 12/22/04. The original request for cancellation came in on that date (DN 13398-04) and I advised company to pay \$66 before a docket could be opened. Thanks!

It looks like \$66, which includes a \$12.50 penalty and \$3.50 interest.

We have received an IXC RAF return from the above mentioned utility. In parenthesis under the utility information, it says, "Request for Cancellation - Isler". Do I use this info to open a new docket to cancel the IXC Registration? Thanks for your help. Kay is out today, so I am unable to ask her about it.
