Public Service Commission
2540 Shumard Oak Blvd.
Tallahassee, Fl 32399-0850

Dear Sirs:

I represent the City of Wildwood, Florida, a regional public utility provider in Sumter County, Florida. The City is currently providing water and wastewater service to much of the northern half of Sumter County. The City has developed a master plan depicting the extensions it plans which will allow it to serve in its planned utility zone. Enclosed for filing are copies of resolutions numbered 902, 903 and 904 approving the City's water, wastewater and reclaimed water master plans with attached maps depicting the master plans.

Also, please provide notice to the City of any requests for expansions of the certificated area for North Sumter Utilities or any other provider seeking certification of a water, wastewater or reclaimed water service area in Sumter County.

If you have any questions in this regard, please contact my office.

RESOLUTION NO. 902

A RESOLUTION OF THE CITY OF WILDWOOD; ADOPTING
A WATER MASTER PLAN; PROVIDING FOR AN EFFECTIVE
DATE

WHEREAS, the City has determined that it is in the best interest of the citizens of the City of Wildwood and Sumter County to expand its water and wastewater services to other areas of its five-mile zone; and,

WHEREAS, the extension of its water services into all available areas of its five-mile zone and the planned utility service area will help to protect the environment and will allow the City to provide input into the proper growth of the Sumter County area where the city is located; and,

WHEREAS, the City of Wildwood has prepared a master plan for extension of water services into the City's five-mile utility zone.

NOW, therefore, be it resolved by the City Commission of the City of Wildwood, Florida:

SECTION 1. That the City's Commission of the City of Wildwood adopts and approves the attached master plan for extension of water transmission facilities into the City's five-mile utility zone.

SECTION 2. This resolution shall become effective from the date it is passed by the City Commission of the City of Wildwood, Florida.

PASSED AND RESOLVED, this 29th day of February, 2005, in regular session, by the City Commission of the City of Wildwood, Florida.

RESOLUTION NO. 904

A RESOLUTION OF THE CITY OF WILDWOOD; ADOPTING
A RECLAIMED WATER MASTER PLAN; PROVIDING FOR
AN EFFECTIVE DATE

WHEREAS, the City has determined that it is in the best interest of the citizens of the City of Wildwood and Sumter County to expand its water and wastewater services to other areas of its five-mile zone; and,

WHEREAS, the extension of its reclaimed water services into all available areas of its five-mile zone and the planned utility service area will help to protect the environment and will allow the City to provide input into the proper growth of the Sumter County area where the city is located; and,

WHEREAS, the City of Wildwood has prepared a master plan for extension of reclaimed water services into the City's five-mile utility zone.

NOW, therefore, be it resolved by the City Commission of the City of Wildwood, Florida:

SECTION 1. That the City Commission of the City of Wildwood adopts and approves the attached master plan for extension of reclaimed water transmission facilities into the City's five-mile utility zone.

SECTION 2. This resolution shall become effective from the date it is passed by the City Commission of the City of Wildwood, Florida.

PASSED AND RESOLVED, this 28th day of February, 2005, in regular session, by the City Commission of the City of Wildwood, Florida.
