RE:	Docket No. 041272-EI, Progress Energy Florida, Inc Confidentiality Request - Document No. 01806-05

Lines 5 through 15 on Page 12 of Document No. 01806-05 (Majoros Testimony) have been reviewed and the staff believes that <u>none</u> of the information identified in that document should be considered confidential. Regardless of the confidentiality of the source document itself, the excerpts (verbiage and amounts) contained in Majoros' testimony have been presented in a context that does not reveal any useful data that would compromise or impair PEF's competitive business interests if disclosed to the public.

Therefore, staff recommends that the request for confidentiality for a portion of Majoros' testimony be denied.
