Re: Joint Petition of Tampa Electric Company and Withlacoochee River Electric Cooperative, Inc. for expedited interim approval of customer transfers pending consideration of joint application for permanent relocation of territorial boundaries; Docket No. 041408-EI

Dear Ms. Bayo

This is to update the Commission on the status of the above matter. Tampa Electric Company and Withlacoochee River Electric Cooperative are awaiting the completion of a survey of the revised proposed territorial boundary line separating their respective service territories. Hopefully this can be completed in the next week or two, after which the two utilities will propose the new territorial boundary line for Commission approval.

Sincerely,

James D. Beasley
