Kay, please open a new docket at her request. Suggested title is "In Re: Request by homeowners of Natura subdivision for the Commission to initiate deletion proceedings against Aloha Utilities, Inc., for failure to provide sufficient water service consistent with the reasonable and proper operation of the utility system in the public interest, in violation of Section 367.111(2), Florida Statutes." Thanks.

Rosanne, we got a letter today from Ms. Wrona. It's addressed to you, and we're cc'd....the letter asks that a new docket be opened on the petition from Natura Homeowners to be deleted from Aloha's service area.

What should we do with this letter?

Kay
