RE: Docket No. 050147-TI - Acknowledgment of registration of Cinergy Telecommunications, Inc. as intrastate interexchange telecommunications company.

We received the above-referenced registration form from Cinergy on February 24, 2005. Shortly after a docket was opened for processing the registration, it was discovered we had previously, on February 23, 2005, received a nearly identical registration package from Cinergy, which we assigned Docket No. 050144-TI and company code/registration no. TJ989. Upon inquiring of the company, we learned the company sent one registration package and followed it up with a second package which included a cover letter. Mr. Pineda, with whom we spoke, agreed to send a letter withdrawing the second filing. That letter, a copy of which is attached, was received March 15, 2005.

Based on the information we obtained, it is appropriate to close Docket 050147-TI as opened in error. Please do so.
