Subject: **Request of Cancellation TF307-04-0-R**

Request to cancel my certificate.

I have attached \$50 minimum amount due according to Pay Telephone Service Provider Regulatory Assessment Fee Return.

I have never used this certificate, did not know how to cancel the certificate. I was hoping to start own in business in pay telephone provider service during year 1994 when I was contacted by a company in New York, I paid \$15,000 and just received 6 telephones and certificate. I think, the company asked me to send them certificate so they can process to install those phones on locations. Never happened, phones were never installed, called and send them letter but not answer. I did not take this matter to the court because I was thinking that I have to go to New York and file the case. I did not have time, did not know any person in New York.

I have been paying the minimum amount \$50 every year. Since I am not going to install those pay phones, please cancel the certificate immediately.

Very truly yours,

Yes that changes things. Disregard my e-mail below. I checked RAF System again and found that although the \$50 was postmarked 3/7/05, it was not entered until today, so you are correct that it is for 2004. Please don't open a docket at this time. They either have to pay 2005 RAF or provide a date certain the RAF will be paid. I need to contact the company. Thanks!!

The form I have in my hand says RAFs are for 1/1/04 to 12/31/04... when I get the forms, it's after Fiscal has done their thing with them. Does that change anything?

The 2004 RAF is already paid, so I believe the \$50 just received is for 2005. Therefore, it is OK to open a docket effective today.

Hi Paula,

We have received a \$50 payment record for 2004 RAFs from the above-mentioned utility. The attached letter requests cancellation of the cert immediately. Please advise.
