To Whom It May Concern;

I, Vionette Perry, on this 23 Day of May 2005, do hereby request cancellation of my Payphone: certificate # 8548 – comp. code TH037. Included please find a check for \$50, which is my fee for 2005. This request comes after I had applied do to the purchase of an Internet Access Machine which I never received all of and was ABSOLUTELY 100% ripped off by this company (Pantheon Holdings) for over \$20,000.00. My Attorney, as of recently, has won a Judgment in Miami- Dade County for a full refund plus some of the money I've had to put out. Of course, the key will be actually collecting from these people. Florida State Attorney General's Office has over 23 complaints against this company. I just you might want to know that this company has been accused of fraud by almost everyone that has come in contact with them for a quote " Business Venture ".

I have given extensive information to Toni McCoy who can fill you in on the details.
