RE: Administrative Closure of Docket No. 050254-EI

On April 13, 2005, Tampa Electric Company (TECO) filed a Request to Exclude Outage Event from Distribution Reliability Reporting, which was assigned Docket No. 050254-EI. On June 21, 2005, TECO filed a Withdrawal of its Request. Because there are no pending issues that need to be addressed by the Commission regarding the Request, no filing fee was involved, and no agency ~~action~~ has been taken, staff requests that Docket No. 050254-EI be administratively closed pursuant to Section 2.07-C of the APM.
