Part II

This also includes TX674 and that company name will need to be added to the list of utilities and the docket title. Sorry for not including it to begin with. (F Y I, the underlying docket is 030292-TP.)

Dorothy, please use this e-mail to add company code TX675 to the list of utilities associated with this docket.

I believe the name BST used, Xspedius Communications, LLC, is a holding company for the various "management" companies in various states. Xspedius Management Co. of Jacksonville, LLC is listed as one of the companies on page three of the amendment.

Also, please change the docket title to show the company name as it's shown in MCD.
