AND XSPEDIUS MANAGEMENT CO. OF JACKSONVILLE, LLC,

And

VERIZON FLORIDA INC.

This Amendment No. 1 (the "Amendment") is entered into by and between Verizon Florida Inc. ("Verizon") and Xspedius Management Co. Switched Services, LLC, and Xspedius Management Co. of Jacksonville, LLC collectively d/b/a Xspedius Communications ("Xspedius") and is effective December 14, 2004 (the "Effective Date"). Verizon and Xspedius may be referred to herein collectively as the "Parties" and individually as a "Party."

WITNESSETH:

WHEREAS, e.spire Communications ("e.spire") opted into the interconnection agreement between Verizon and AT&T Communications of the Southern States Inc. that was approved by the Florida Public Service Commission (the "Commission") as an effective agreement in the State of Florida in Order No. PSC-97-0864-FOF-TP (the "Agreement").

WHEREAS, e.spire transferred to Xspedius substantially all of its assets and assigned the Agreement to Xspedius, pursuant to an Asset Contribution Agreement dated as of May 23, 2002.

WHEREAS, the Parties desire to amend the Agreement to conform it to the FCC's Order on Remand and Report and Order, *In the Matter of Implementation of the Local Competition Provisions in the Telecommunications Act of 1996, Intercarrier Compensation for ISP Bound Traffic*, FCC 01-131, CC Docket Nos. 96-98 and 99-68, *remanded sub nom. WorldCom, Inc. v. FCC*, 288 F.3d 429 (D.C. Cir. 2002) (the "Order on Remand"), and the FCC's Order, *Petition of Core Communications, Inc. for Forbearance Under 47 U.S.C. Section 160(c) from Application of the ISP Remand Order*, WC Docket No. 03-171, (Adopted October 8, 2004) (the "Internet Forbearance Order").

WHEREAS, the Parties desire to amend the Agreement to incorporate the change in name for Xspedius, from ACSI Local Switched Services, Inc. d/b/a e.spire Communications, Inc., to Xspedius Management Co. Switched Services, LLC, d/b/a Xspedius Communications, subsequent to the Name Change as reflected in Competitive Local Exchange Telecommunications of Public Convenience and Necessity Certificate No. 5474, as approved in the State of Florida in Order No. PSC-03-0871-FOF-TX.

WHEREAS, the Parties desire to amend the Agreement to incorporate the addition of Xspedius Management Co. of Jacksonville, LLC, d/b/a Xspedius Communications, a regulated Telecommunications Company in the State of Florida under Alternative Local Exchange Telecommunications Certificate No. 4722, as a Party to the Agreement.

NOW THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. Definitions. For the purposes of this amendment, "ISP-bound Traffic" shall have the meaning provided for it in the Order on Remand. "Section 251(b)(5) Traffic" shall mean traffic subject to the provisions of Section 251(b)(5) of the Communications Act of 1934 (47 U.S.C. §151 et seq.), as from time to time amended (including, but not limited to, by the Telecommunications Act of 1996). The Parties agree that the foregoing definitions and the other terms of this Amendment shall not be offered or presented by either Party in any proceeding before a court or the Commission as evidence of a concession or waiver of any position taken or represented by the other Party during any negotiation or arbitration of replacement terms for the Agreement.

2. Treatment of ISP-bound Traffic - General. Subject to changes in applicable law, the Parties' rights and obligations with respect to any intercarrier compensation that may be due in connection with their exchange of ISP-bound Traffic shall be governed by the Order on Remand and the Internet Forbearance Order, in which the FCC determined, *inter alia*, that as of October 8, 2004 it would forbear from applying the growth caps rule set forth in paragraph 78 of the Order on Remand and the new markets rule set forth in paragraph 81 of the Order on Remand.

3. Construction of Amendment. Sections 4 and 5 of this Amendment contain terms which summarize the Parties' understanding of certain provisions of the Order on Remand and the Internet Forbearance Order. However, such terms shall not be construed to either expand or diminish the rights or obligations of either Party under the Order on Remand or the Internet Forbearance Order.

4. Application of the FCC's 3:1 Ratio. Consistent with the rebuttable presumption established in the Order on Remand, the Parties shall use the FCC's 3:1 ratio to identify Section 251(b)(5) traffic and ISP-bound Traffic, as follows:

- 4.1 All combined Section 251(b)(5) traffic and ISP-bound Traffic delivered to one Party by the other Party that exceeds a 3:1 ratio of terminating to originating minutes of use shall be presumed to be ISP-bound Traffic.
- 4.2 All combined Section 251(b)(5) traffic and ISP-bound Traffic delivered to one Party by the other Party that does not exceed a 3:1 ratio of terminating to originating minutes of use shall be presumed to be Section 251(b)(5) Traffic.

4.3 As set forth in Paragraph 79 of the Order on Remand, either Party may rebut the presumption that traffic exceeding the 3:1 ratio is ISP-bound Traffic (or that traffic not exceeding the 3:1 ratio is Section 251(b)(5) Traffic) by demonstrating to the Commission that traffic above the 3:1 ratio is not ISP-bound Traffic (or, conversely, that traffic below the 3:1 ratio is ISP-bound Traffic). During the pendency of any rebuttal proceeding, the Parties shall pay compensation based upon the presumed volumes of ISP-bound Traffic and Section 251(b)(5) Traffic (the Commission approved reciprocal compensation rate for Section 251(b)(5) traffic and the FCC's interim rates for ISP-bound Traffic), subject to true-up upon the conclusion of the rebuttal proceeding.

5. Rates Applicable to ISP-bound Traffic and Section 251(b)(5) Traffic. Subject to Section 4.3, presumed ISP-bound Traffic received by one Party from the other shall be compensated at the applicable rate set forth in the Order on Remand (currently .0007/mou), subject to changes in applicable law. Subject to Section 4.3, all presumed Section 251(b)(5) Traffic shall be subject to the state approved reciprocal compensation rates set forth in the Agreement.

6. Name Change. The Parties desire to amend the Agreement to incorporate a name change for Xspedius, from ACSI Local Switched Services, Inc. d/b/a e.spire Communications, Inc., to Xspedius Management Co. Switched Services, LLC, d/b/a Xspedius Communications, and understand and agree that Xspedius Management Co. of Jacksonville, LLC, d/b/a Xspedius Communications, has become a Party to the Agreement as of the Effective Date.

7. Scope of Amendment. Except to the extent set forth in Sections 1 through 5 of this Amendment, the rates, charges and other provisions of the Agreement shall remain in full force and effect after the Effective Date. Nothing in this Amendment shall be deemed to extend the term of the Agreement. This Amendment is not intended to modify the term of the Agreement or to affect either Party's actual exercise or right to exercise any right of termination it may have under the Agreement.

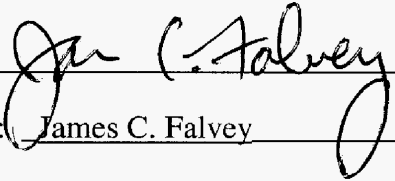

8. Conflict between this Amendment and the Agreement. This Amendment shall be deemed to revise the rates, charges and other provisions of the Agreement to the extent necessary to give effect to the rates, charges and other provisions of this Amendment. In the event of a conflict between a rate, charge or other provision of this Amendment and a rate, charge or other provision of the Agreement, this Amendment shall govern.

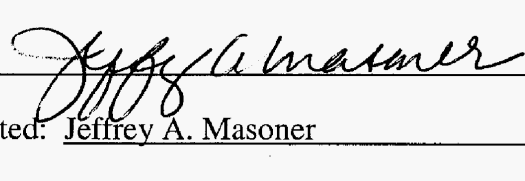

9. Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed and delivered by their duly authorized representatives.
