RE: Docket No. 050228-SU-Request for approval of new class of service in Pinellas County by Ranch Mobile WWTP, Inc.

The PAA order in this docket was made final by Consummating Order PSC-05-0744-CO-SU and the docket was closed. However, the utility has notified staff that it has learned of new information that affects the Commission's approved tariff rate for the new class of service. As a result, the utility has requested that this docket be reopened to allow the Commission to revisit its decision.

Attached is a fax dated July 12, 2005, from the utility to Troy Rendell which provides staff with the new information. Please include this fax in the docket file for the above-referenced docket, and reopen the docket. A revised CASR is attached.

RE : Customer: Country Pizza Inn

Following up on our recent telephone conversation, we are enclosing a copy of the customer's bill from Pinellas County Utilities, which bills for the City of Largo.

We were unaware that the customer paid Largo for wastewater processing until they received the notice to customer advising of the new rate in accordance with the recently prepared tariff.

Please review this matter and advise us of the Commission's recommendation.

Thank you for your assistance.
