

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Petition for rate increase by Progress
Energy Florida, Inc.

DOCKET NO. 050078-EI
ORDER NO. PSC-05-0786-PCO-EI
ISSUED: July 28, 2005

ORDER GRANTING INTERVENTION

By petition, dated July 12, 2005, Commercial Group (Commercial) has requested permission to intervene in this proceeding. Commercial Group states that it is an ad hoc association of large commercial customers of Progress Energy Florida, Inc. (PEF). Commercial alleges that the relief requested in PEF's petition will potentially increase the commercial customers' costs of electricity. Therefore, Commercial concludes it will be substantially affected by any action the Commission takes in this docket.

Having reviewed the Petition, it appears that Commercial Group's substantial interests may be affected by this proceeding. There has been no response filed in opposition to this request, and the time for doing so has expired. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, Commercial Group takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by COMMERCIAL GROUP is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
