Dear Sir or Madam:

On December 24, 2003, the Florida Public Service Commission issued Order No. PSC-03-1469-FOF-TL (Order) that granted the petitions filed by Incumbent Local Exchange Companies (ILECs) Verizon, Sprint, and BellSouth, to reduce their intrastate switched access charges to interstate parity. (Dockets Nos. 030867-TL, 030868-TL, 030869-TL, respectively.) The Order was appealed to the Florida Supreme Court which issued its opinion on July 7, 2005, upholding the Commission's decision.⁴⁷⁸

The Order also addressed Docket No. 030961-TL, the flow-through of ILEC switched access reductions by Interexchange Carriers (IXCs), pursuant to Section 364.163(2), Florida Statutes.

In the Order, the Commission set forth the following requirements to be fulfilled by the IXCs:

- (1) IXCs are required to flow-through the switched access rate reductions.
- (2) IXCs are required to file tariffs within 44 days of the ILECs' filed tariffs.
- (3) The ILEC and the IXC tariffs should become effective simultaneously.
- (4) IXC rate reductions shall remain in effect for no less than one year subsequent to parity being accomplished.
- (5) IXC rate reductions should be flowed-through to residential and business customers on a pro-rata basis according to access minutes of use.

The Order differentiated among the IXCs as to what should be included in their tariff filings. The Order stated that all IXCs that paid \$1 million or more in intrastate switched access charges within the most recent 12 month period should include in their tariff filings:

(1) a calculation of the dollar benefit associated with the ILEC's intrastate access rate reductions.

⁴⁷⁸ A notice of correction was issued on July 13, 2005.

8/9/2005

(2) separate demonstrations that residential and business long distance rates have been reduced and the estimated annualized revenue effect, residential and business, including how those estimates were made.

(3) a demonstration that all rate reductions have been flowed through.

For IXCs that paid less than \$1 million in intrastate switched access charges within the most recent 12 month period, the Commission required them to include in their tariff filings a letter certifying as such, and that they have complied with each of the flow-through requirements as specified in Section 364.163(2), Florida Statutes. Additionally, any IXC whose intrastate switched access expense reduction is \$100 or less per month would not be obligated to flow through its reduction, but must attest to such through a letter filed with this Commission.

As the order requires IXCs to file tariffs within 44 days of the ILECs' filed tariffs so that the flow-through of the reductions occurs concurrently, it is recommended that your company monitor the Commission's website for the latest ILEC tariff filings. Currently, it appears the three ILECs will file their tariffs in mid September. The ILEC tariff filings can be viewed at the Commission website www.FloridaPSC.com. From that website click on "Telecommunications," scroll to "Tariff Information," and then click on "Search by Company" which will bring you to a list of companies to scroll through. Verizon's company code is TL710, Sprint's is TL727 and BellSouth's is TL720. If you have any questions please call Rick Wright at 850-413-6435.

Sincerely,

Beth W. Salak

Dear Mr. Vergara:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable. If the company owes the minimum, the amount due is **\$66.00** (\$50.00 fee, \$12.50 penalty, and \$3.50 interest).

Our records show that the 2004 RAF return notice was mailed on December 10, 2004, and a delinquent notice was mailed on February 18, 2005. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2004 RAF return form is enclosed. If full payment, including penalty and interest charges, along with the RAF return form, are not received by August 19, 2005, a docket may be established. Your company may be fined or the certificate cancelled if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent the company's certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should write a letter requesting cancellation, pay the past due amount in full, complete the 2004 RAF return form, either pay the 2005 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.474, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2004 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

If you have any questions, please contact me at (850) 413-6502, by fax at (850) 413-6503, by e-mail at pisler@psc.state.fl.us, or by writing to me at the address below.

DIVISION OF
COMPETITIVE SERVICES

Dear Certificate Holder:

The Division of the Commission's Clerk and Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 2004, which was due January 31, 2005. The RAFs return form was mailed to you on December 15, 2004, and to date, Commission records reflect that payment has not been received.

According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364.

Utilities are charged with knowledge of our rules and statutes. Moreover, it is general Commission practice that all utilities that apply for certificate receive a copy of all applicable rules. Further, in accordance with Section 364.335, Florida Statutes, as part of the application process, utilities provide an affidavit indicating that they have read and understood the applicable rules.

If you wish to request another form, please contact David Brown or Valorie Moore at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. As specified above, pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel your certificate. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact David Brown at (850) 413-6267 or Valorie Moore at 413-6275 or via Internet e-mail at dbrown@psc.state.fl.us or vmoore@psc.state.fl.us.
