The information that is the subject of this request is contained in certain documents contained in Alltel's pre-filed direct testimony (Willis and Blessing) and exhibits accompanying its Petition to Reduce Intrastate Switched Network Access Rates in a Revenue Neutral Manner filed on September 29, 2005.

1. The following documents or excerpts from documents are the subject of this request:
 - a. **Highlighted portions of Exhibit No. ___ (DCB-4) (Hatfield Cost Study)**

¹ The purpose of this amended request is to correct three scrivener's errors on page 7 of Attachment A. Changes from the original, filed September 29, 2005, are shown in legislative format.

2. One unredacted copy of these documents with the confidential information highlighted in yellow was ~~has been~~ submitted under separate cover to the Division of Records and Reporting contemporaneously with the filing of this request. Specific justification for confidential treatment is set forth in Attachment A.

4. Section 364.183(3), Florida Statutes, states:

(3) The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. The term includes, but is not limited to:

(a) Trade secrets.

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.

(f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

5. Furthermore, Section 688.002(4), Florida Statutes is instructive on what constitutes a trade secret and provides that:

(4) "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique, or process that:

(a) Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use; and

(b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

6. The subject information to this request has not been publicly released.

Furthermore, release of the information could impair the company's ability to compete for, or negotiate with, certain business customers.

WHEREFORE, based on the foregoing, Alltel respectfully files this amended request ~~requests~~ that the Commission grant this request, exempt the information specified herein from disclosure under Chapter 119, Florida Statutes and issue a protective order, protecting the information from disclosure while it is maintained at the Commission and in the possession of the Office of the Public Counsel.
