Re: Petition for Approval of Revisions to Bright Choices Outdoor Lighting Agreement
and Associated Tariff by Tampa Electric Company;
FPSC Docket No. 050548-EI

Dear Ms. Bayo:

Enclosed for filing are the original and fifteen (15) copies of Tampa Electric Company's Sixteenth Revised Sheet No. 6.263, Eleventh Revised Sheet No. 6.273, Original Sheet No. 6.308 and Third Revised Sheet No. 7.203. Each of these tariff sheets is accompanied by a copy marked in legislative format to show the changes being made. We would appreciate your distributing these tariff sheets to the Commission recipients of our initial August 12, 2005 filing of Tampa Electric's petition and accompanying tariff sheets in this proceeding.

The enclosed tariff sheets are submitted to conform the company's proposed tariff revisions to the provision in our petition to the effect that the cost of tree trimming with initial lighting installation is to be covered by the customer and not by Tampa Electric.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley

PAYMENT OF BILLS: See Sheet No. 6.022.

SPECIAL PROVISIONS: The Customer shall be responsible for the cost incurred to repair or replace any facility that has been vandalized. The company shall not be required to make such repair or replacement prior to payment by the customer for such damage. At the customer's expense, the Company will install a luminaire protective shield in addition to any required repair or replacement.

The Customer shall arrange for tree trimming by qualified personnel at the Customer's sole expense when installation of, illumination from or maintenance access to the Equipment is obstructed by trees and other vegetation. The Company will not be responsible for trimming trees for lighting installation or illumination obstruction.

The Company will not be required to install or continue to operate equipment at any location where the service may be or has become objectionable to others. If it is found either during or after installation that the light is objectionable to others, the Customer shall be responsible for the costs incurred to relocate, remove, or shield the Equipment in addressing the objection unless the Customer is otherwise able to fully address and satisfy the third-party objections in question.
