BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Application of
SANLANDO UTILITIES
CORPORATION for amendment

in Seminole County, Florida

Docket No. 040384-WS

SETTLEMENT AGREEMENT

This Settlement Agreement (*Agreement*) is entered into this ____ day of September, 2005 between SANLANDO UTILITIES CORPORATION, a Florida corporation (*Sanlando*), and SEMINOLE COUNTY, FLORIDA, a political subdivision of the State of Florida (*County*).

RECITALS

- A. Sanlando is a utility certificated to provide water and wastewater service to customers in Seminole County Florida.
- B. The County provides water and wastewater service to customers in Seminole County, Florida.
- C. In Docket No. 040384-WS, Sanlando filed an application (*Application*) with the Florida Public Service Commission to extend its service area to the area identified on Exhibit "A" (*Proposed Service Area*).
- D. The Proposed Service Area and County's service area are adjacent and overlap in part.
- E. The County has objected to Sanlando's application, asserting that portions of the Proposed Service Area, more fully described in Exhibit "D", include areas which the County claims it has the exclusive right to serve under certain ordinances.
- F. Sanlando and the County wish to clearly define their respective extended service areas to facilitate planning, avoid a duplication of facilities and services, maximize the use of their respective facilities, resolve any conflict concerning their respective rights and responsibilities and finally settle and compromise the disputes regarding their respective service areas.

In consideration of the mutual promises and covenants set out in this Agreement, the sufficiency of which is hereby acknowledged, Sanlando and the County agree as follows:

1. The foregoing Recitals are true and correct and incorporated into this Agreement for all purposes.
2. The County agrees that Sanlando shall have the exclusive right to provide water and wastewater service to the customers identified on Exhibit "B", and the County shall not provide water or wastewater service to these areas.
3. The County agrees that Sanlando shall have the exclusive right to provide water and wastewater service to the areas identified on Exhibit "C", and the County shall not provide water or wastewater service to these areas. The County acknowledges that the revised Proposed Service Areas, as described in Exhibit "C", reflects the deletion of certain portions of Sanlando's certificated water and wastewater service areas, more fully described in Exhibit "D".
4. Sanlando agrees that the County shall have the exclusive right to provide water and wastewater service to the areas identified on Exhibit "D", and Sanlando shall not provide water or wastewater service to these areas.
5. As soon as possible after execution of this Agreement, Sanlando shall (a) submit this Agreement to the Commission for its approval; and (b) amend the Application to redefine the Proposed Service Areas as described in Exhibit "C". If this Agreement is not accepted and approved without modification by the Commission, this Agreement is terminated and shall be considered null and void.
6. As soon as possible after execution of this Agreement, the County shall withdraw its objection to the Application.
7. This Agreement will become effective on the date the Commission enters a final order approving the Agreement.
8. This Agreement is the result of a compromise of vigorously disputed claims and does not constitute and shall not be construed to be an admission of liability or responsibility of any party hereto. Sanlando and the County specifically state that they have entered into this Agreement solely to avoid the burden and expense of continuing litigation and for the covenants, releases, and agreements contained herein.
9. This Agreement, including all Exhibits attached hereto, contains the entire agreement between the parties relating to the subject matter hereof. All prior or contemporaneous agreements, written or oral, between the parties regarding the subject matter hereof are superseded by this Agreement. This Agreement may not be modified except by a written document signed by an authorized representative of each of Sanlando and the County. No term of this Agreement is to be construed or interpreted in any manner based upon which party drafted its language.

10. Nothing in this Agreement, express or implied, is intended to confer on any person other than the parties any rights, remedies, obligations, or liabilities under or by reason of this Agreement.

11. Sanlando and the County agree to execute all such documents and take all such actions after the date hereof as the other party shall reasonably request in connection with carrying out and effectuating the intent and purposes contemplated by this Agreement, including, without limitation, the execution and delivery of any and all confirmatory and other documents in addition to those to be delivered concurrently with the execution hereof and all actions which may reasonably be necessary or desirable to complete the transaction and agreements contemplated hereby.

12. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective assigns and successors by merger, consolidation, conveyance or otherwise.

13. Until further written notice by either party to the other, all notices provided for herein shall be in writing and transmitted by messenger, by mail or facsimile,

if to the County:

with a copy to:

14. This Agreement shall be governed by the laws of the State of Florida and it shall be and become effective immediately upon execution by both parties hereto, subject to any approvals which must be obtained from governmental authority, if applicable.

15. In the event Sanlando or the County is required to enforce this Agreement by Court proceedings or otherwise, by instituting suit or otherwise, then the prevailing party shall be entitled to recover from the other party all costs incurred, including reasonable attorney's fees, including such fees and costs of any appeal.

16. To the extent authorized by law and subject to the limitations of Section 768.28 Florida Statutes, the County agrees to indemnify and hold Sanlando harmless from and against any and all liabilities, claims, damages, costs and expenses (including reasonable trial and appellate attorney's fees) to which Sanlando may become subject by reason of or arising out of the County's performance of this Agreement. Sanlando agrees to indemnify and hold the County harmless from and against any and all liabilities, claims, damages, costs and expenses (including reasonable trial and appellate attorney's fees) to which the County may become subject by reason of or arising out of Sanlando's performance of this Agreement.

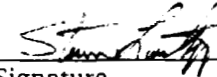

17. Whenever approvals of any nature are required by either party to this Agreement, it is agreed that same shall not be unreasonably withheld or delayed.

18. Failure to insist upon strict compliance of any of the terms, covenants, or conditions herein shall not be deemed a waiver of such terms, covenants, or conditions, nor shall any waiver or relinquishment of any right or power hereunder at any one time or times be deemed a waiver or relinquishment of such right or power at any other time or times.

19. The parties have evidenced their acceptance and agreement with the provisions of this Agreement by their signatures, and each party represents to the other party that the persons who have executed this Agreement on their behalf have been duly authorized to do so.

IN WITNESS WHEREOF, Sanlando and the County have executed or have caused this Agreement, with the named Exhibits attached, to be duly executed in several counterparts, each of which counterpart shall be considered an original executed copy of this Agreement.
