ISSUED: November 2, 2005

ORDER GRANTING MOTION FOR LEAVE TO FILE
UPDATED TESTIMONIES AND EXHIBITS

On October 14, 2005, Tampa Electric Company (TECO) filed a motion for leave to file updated testimonies and exhibits to TECO witness Carlos Aldazabal's testimony. No party filed a response to TECO's motion.

TECO states that on September 9, 2005, it filed the actual/estimated true-up testimony and exhibit of Mr. Aldazabal, which was based on actual cost data for January-June, 2005 and estimated fuel and purchased power cost data for July-December, 2005. TECO states that subsequent to its September 9, 2005 filing, it has completed its calculation of actual fuel and purchased power costs for the months of July and August, 2005. TECO contends that in light of recent significant changes in markets for fuel and purchased power, using the most recent actual cost data available will present a more realistic and accurate reflection of current fuel and purchased power costs. TECO asserts that this will result in more accurate price signals and help mitigate the effect of delay on future under-recoveries. According to TECO, it seeks to file revised actual/estimated true-up testimony and a revised exhibit containing the actual cost data for July and August, 2005, and revised projection testimony and a revised exhibit reflecting the impact of the updated cost data on TECO's projected fuel and purchased power costs for 2006.

Upon consideration, TECO's motion for leave to file updated testimonies and exhibits to TECO witness Carlos Aldazabal's testimony is hereby granted.

Based on the foregoing, it is

ORDERED by Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, that the Motion for Leave to File Updated Testimonies and Exhibits filed by Tampa Electric Company is granted.
