Reasons to protest being included in proposed Territorial addition to Water Cert. no. 611-w & Wastewater Cert.no. 527-s.

1. Most residents in this area Do Not have the desire Or financial ability to pay for a system which will not benefit them.

2. The Estates planned for this area will use many times the utilities used by Any Single Mobile Home Unit in Peace River Subdivision.

CMP _____ 3. Each unit in Peace River Subdivision, has it's own water & Wastewater system. Most have recently been updated & are in excellent condition. They are cared for and affordable. I believe the proposed system will be more of a financial burden than most can afford.

ECR | _____
GCL | _____ 4. When a water system failure occurs anywhere in this subdivision it is normally repaired within two hours without having to damage our Privately Owned Road System.

OPC _____
RCA _____ 5. I chose to settle in this subdivision because I could own my land, my streats and my Utilities. And take care of them myself. For a delveloper to be allowed to take any part of this for His own Gain, Compares to the recent Fiasco Of Eminent Domain in Murdock.

SGA _____
SEC | _____
OTH Kim P. _____ 6. It may be difficult for County Commissioners & Other Bureaucrats to understand, but Some people still value Independence.

7. WE DO NOT Wish TO BE Included IN This Developers Prospects.
