Re: Water Certificate No. 611-W
Wastewater Certificate No. 527-S

Dear Director:

I have a home at 1236 Madona Court in the Peace River Subdivision in Charlotte County, Florida. According to the notice just received, MSM Utilities, LLC wishes to annex my property and the rest of the Peace River Subdivision (and more) in an effort to get those of us in the aforementioned property to help them pay for water and sewer that they evidently need to further their efforts to develop their recently acquired property.

Please consider this letter as my objection to this method of trying to get others to pay for their development. I lost everything to Hurricane Charley last year and am just now getting back into my new home at great expense. I do not need, nor do I want, sewer and water. This would place undue hardship on many of us.

Sewer and water are part of developing property. MSM needs to consider this as a cost of doing business and pay for it themselves. Make those who will reap the harvest pay the costs.
