Dear Sir

I am writing in regard to Water Certificate  
# 611-W & Wastewater Certificate # 527-S to add  
territory in Charlotte County

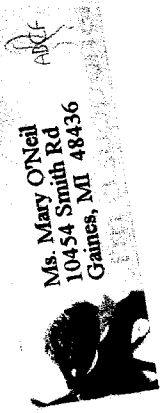

I am against this addition because  
we were hit very hard from Hurricane Charley  
most of the residents had to replace their homes  
in our subdivision. We have septic systems  
and wells, which are sufficient for our needs.

Being a widow on a fixed income, I  
could not afford another license and  
this addition would mean more expense  
for home owners including myself.

Sincerely,  
Mary Onel
