COMMISSION
CLERK

To be filed with you, this is a statement of my objection to the application by MSM Utilities, LLC, to amend its Water Certificate #611W and its Waste Water Certification #527W.

I have never been contacted nor informed, in writing, with the intensions of this application and no info was given regarding 'to add territory in Charlotte County'. To only receive a 'LEGAL NOTICE', which is enclosed, without any information regarding water/waste water, I am objecting.

In addition, being retired with a special budget/income and satisfied with the current water/waste water systems with the home, my 'objection does state the grounds for the objection with particularity'.

Thank you.
