**ORIGINAL**

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

**In re: Complaint of Sears, Roebuck & Company  
Against Florida Power and Light Company**

---

**Docket No. 050890-EI  
Filed December 2, 2005**

**RENEWAL OF MOTION FOR AN ORDER COMPELLING FLORIDA POWER AND  
LIGHT COMPANY TO CONTINUE ELECTRIC SERVICE AND TO CEASE AND  
DESIST DEMANDS FOR DEPOSIT PENDING THIS COMMISSION'S FINAL  
DECISION IN THE MATTER OF THE COMPLAINT BY SEARS, ROEBUCK AND  
COMPANY AGAINST FLORIDA POWER AND LIGHT COMPANY**

1. Pursuant to Rule 28-106.204 of the Florida Administrative Code, Sears, Roebuck and Company ("Sears"), through its undersigned qualified representative, renews its Motion to Compel Florida Power and Light Company to Continue Electric Service and to Cease and Desist Demands for Deposit Pending this Commission's Final Decision Regarding Sears, Roebuck and Company's Complaint Against Florida Power and Light Company.

2. On November 21, 2005, Sears filed its complaint against Florida Power and Light Company ("FP&L") in Docket No. 050891-EI ("the Complaint"). Concurrent with the Complaint, Sears filed an emergency motion requesting this Commission to issue an order providing that FP&L may not interrupt electric service to any Sears location until this Commission's final resolution of the Complaint (the "Emergency Motion"). The Emergency Motion is still pending before this Commission as of December 2, 2005.

3. On November 23, 2005, FP&L filed its response to the Emergency Motion. In its response, FP&L substantially conceded that, pursuant to FAC 25-22.032(3), FP&L currently lacks legal authority to terminate electric service, and as such, FP&L "intends to provide uninterrupted electric service to Sears until such time as its Complaint, pending before the

Commission, is resolved.” FP&L further stated, that it currently “has no intention of attempting to collect [a deposit] and thereby unduly complicate the proceeding.”

4. Sears is a retailer with several locations within FP&L’s service area. The holiday shopping season is critical to Sears’ business operations and any interruption in electric service during this period would result in substantial damages and irreparable harm to Sears’ business. In light of the critical nature of Sears’ need for continued electric service, Sears renews the Emergency Motion.

5. Sears has conferred with FP&L regarding this motion and FP&L has declined to stipulate to an entry of the requested order.

WHEREFORE, Sears renews the Emergency Motion and respectfully requests this Commission to enter an Order prohibiting FP&L from discontinuing electric service to any Sears location pending this Commission’s resolution of Docket No. 050890-E1

Respectfully submitted,  
Sears, Roebuck & Comapny
