Raquel, it should all go to the General Revenue Fund. Thanks.

It should go to the GFR. I believe we kept the RAF/Collection costs when we got the first check earlier.

Everything has been deposited that we received and posted in the raf system, with the exception of a check for \$212.66 from 9278 Distributors-Expense A/C Docket # 030396-TI. Can you please tell me the breakdown for this or does it all go to Fines

I had a voice mail message yesterday from a Matthew Schulman with Regnum Group (a consulting company) who represents five companies. His message said he overnighted 2004 RAFs, along with settlement proposals for the following companies on Friday and we should have received them Monday. Did we?
