RE: Docket No. 050959-EQ *JOS*

On December 27, 2005, Orlando Utilities Commission (OUC) filed a standard offer contract for the purchase of firm capacity and energy from a renewable energy facility. OUC's filing was assigned to Docket No. 050959-EQ. However, OUC's filing, as well as a pending similar filing from JEA, is solely for information purposes and does not require Commission action. As a result, the filing was docketed in error and the docket should be closed.

Please feel free to call me at 413-6684 if you have any questions. Thank you.
